All subscription and non-subscription ticket sales are final. NO REFUNDS are available for returned or unused tickets.

### Ticket Donations

Patrons unable to attend a concert may return concert tickets to the KSO as a donation. Tickets must be returned 48 hours prior to the performance to receive a letter stating that the value of the donation is equal to the paid value of each ticket returned.

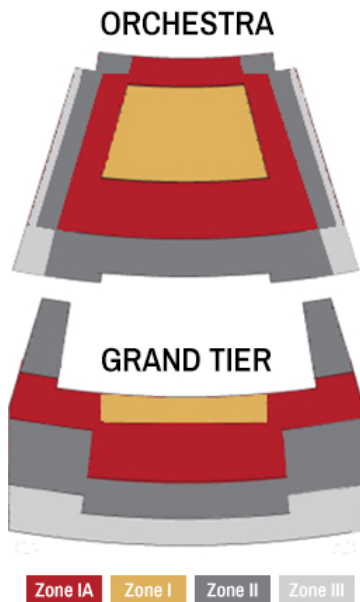

### Ticket Exchanges

The KSO exchange policy is designed to help subscribers avoid schedule conflicts and receive the full value of series tickets. Subscribers may exchange their tickets for any other eligible concert in the current season. Exchanges must be requested no later than 48 hours in advance of a performance to allow for appropriate processing. Exchanges will NOT be honored the day of a performance or once a performance has passed.

There will be a one-time \$6 processing fee on ALL SUBSCRIPTION ORDERS placed with the KSO office. No fee is charged to subscribers for exchanging tickets. However, if you are exchanging lower-priced tickets for more expensive tickets, the difference in ticket prices will be charged. The difference for exchange requests to a lower-priced performance or section will not be refunded, but will be considered as a donation.

Exchanges will be honored at the per concert subscription ticket price. All exchanges are subject to availability, and seat locations cannot be guaranteed. For popular concerts, concerts on different days or in a different series, you may have to exchange for seats in a lower-priced section.
