### *Lift Every Voice and Sing (excerpt)*

*Lift every voice and sing  
Till earth and heaven ring  
Ring with the harmonies of Liberty  
Let our rejoicing rise  
High as the listening skies  
Let it resound loud as the rolling sea*

*Sing a song full of the faith that the dark past  
has taught us  
Sing a song full of the hope that the present  
has brought us  
Facing the rising sun of our new day begun  
Let us march on till victory is won.*
