Concerts are just the beginning...

BUSINESS COUNCIL

Kalamazoo Symphony Orchestra

Music is a universal language. When you support the Kalamazoo Symphony Orchestra, you become a note within a soundtrack that connects and inspires our community. Your organization helps to grow the next generation of musicians and music-lovers, bring top-quality musicians to our community, and provide educational, family, and community experiences that bring us together.

Joining the KSO's Business Council is both easy and rewarding. Business Council members enjoy an array of benefits designed to create exposure for your organization and its support of what we do in the community.
